If you choose to register on-line you will need to use a credit card and there is a convenience fee of approximately 3% .
You may still mail in payments to our office after you have created a profile in our system.

All checks for programs are made payable to “Town of Manlius”

If you have not already done so, in order to sign up for any programs, residents need to input their information into our system once and then it will be there for all future programs registered for. Please go to <http://manliustown.recdesk.com> to set up your individual and/or family Profile on the RecDesk Community portal. You will “create account” and put in your own information then add family members to input each child's complete information. Parents need to be in the system to receive receipts by e-mail and the children/participants need to have all information completed for the instructors/coaches of programs. Please do this before registering for any programs so that when we receive your registration the information will all be correctly entered into our system by you. Participants are not registered for a program until payment is received in the recreation office. Registration is taken on a first come first serve basis, therefore, there is a chance that some programs will be full when you attempt to register. The Town of Manlius reserves the right to cancel programs at any time.

PLEASE NOTE: There will be a \$20.00 service charge imposed on all returned checks.

REFUNDS: If a program is cancelled due to insufficient enrollment, then all persons registered will receive a full refund. Refunds for participant cancellation will be given up to one week before the program starts minus a \$5.00 cancellation fee unless a household credit is chosen. Cancellation within one week of the start of program for a medical reason will receive a full refund minus the \$5 cancellation fee unless a household credit is taken. If there is not a medical reason for the cancellation it is up to the program director/coach how much refund, if any, can be given. If cancellation occurs once the program starts, even for medical reasons, the amount of refund will be determined by the program director/coach and the individual will receive that refund, if any, minus the \$5 cancellation fee unless they choose the household credit. To avoid the cancellation fee you can choose to take a household credit which means you can use that money towards a future program.

Certain Senior Trips have different refund policies that are listed in the trip description. This is due to tickets needing to be purchased in advance.

IF A PROGRAM STATES NO REFUNDS, THERE ARE NO REFUNDS EXCEPT FOR MEDICAL
