You may still mail in payments to our office after you have created a profile in our system.

**If you have not already done so**, in order to sign up for any programs, residents need to input their information into our system once and then it will be there for all future programs registered for. Please go to <http://manliustown.recdesk.com> to set up your individual and/or family Profile on the RecDesk Community portal. You will "create account" and put in your own information then add family members to input each child's complete information. Parents need to be in the system to receive receipts by e-mail and the children/participants need to have all information completed for the instructors/coaches of programs. Please do this before registering for any programs so that when we receive your registration the information will all be correctly entered into our system by you. Participants are not registered for a program until payment is received in the recreation office. Registration is taken on a first come first serve basis, therefore, there is a chance that some programs will be full when you attempt to register. The Town of Manlius reserves the right to cancel programs at any time.

**PLEASE NOTE:** There will be a \$20.00 service charge imposed on all returned checks.

**REFUNDS:** If a program is cancelled due to insufficient enrollment, then all persons registered will receive a full refund. Cancellation within one week of the start of program for a medical reason will receive a full refund minus the \$5 cancellation fee unless a household credit is taken. If there is not a medical reason for the cancellation it is up to the program director/coach how much refund, if any, can be given. If cancellation occurs once the program starts, even for medical reasons, the amount of refund will be determined by the program director/coach and the individual will receive that refund, if any, minus the \$5 cancellation fee unless they choose the household credit. To avoid the cancellation fee you can choose to take a household credit which means you can use that money towards a future program.

Certain Senior Trips have different refund policies that are listed in the trip description. This is due to tickets needing to be purchased in advance.

IF A PROGRAM STATES NO REFUNDS, THERE ARE NO REFUNDS EXCEPT FOR MEDICAL

## KEEP AN EYE ON RECDESK FOR UPDATES!

Coaches and instructors are working hard to find space to hold their camps this summer.

With construction at several schools this is more of a puzzle than usual.

We need to get this brochure out so the Spring programs can be advertised so we are publishing this first edition.

We will update this brochure and add the programs to RecDesk as more programs are finalized so that people can begin to register.

Thank you for your patience as we do our best to bring you a large variety of programs.

All checks for these programs payable to "Town of Manlius"
