STAFF INFORMATION

Recreation Supervisor: Kristine Zingaro, Town of Manlius Recreation Department

Recreation Supervisor: Elaine Ferguson, Town of Manlius Recreation Department

Each site has a Director and an Assistant Director that will oversee the Playground Program and the counselors.

Playground counselors are enthusiastic individuals who are committed to providing a safe, diverse and fun program for all children in playground. All staff members are at least 16 (with experience)-17 years old and most are attending college throughout the year. We screen, interview and select all camp staff based on their ability to work effectively with the children. Staff also undergo training the week prior to the beginning of the summer program which includes camp policies and procedures, emergency and safety regulations, staff leadership and much more. Along with the general staff training, all of our assistant directors are certified in CPR and Basic First Aid. They also have a minimum of two years of experience with the playground program. They should be able to answer any of your questions during playground hours.

RULES AND EXPECTATIONS

These rules are to be followed by the Playground participants to ensure the safety and continuing success of our program. All playground participants will respect adults and the rights of other children by:

1. Listening to and following directions
2. Remaining on task and not disrupting the progress of others
3. Speaking to others in a polite manner, no swearing, no hurtful comments or obscene gestures
4. Showing respect to staff and other children
5. Never leave program without telling a staff person
6. Keeping hands and feet to oneself - No pushing, shoving or touching others in an inappropriate manner

At no time will swearing, fighting or running off the playground area be tolerated. Consequences for not following these expectations will begin at playground with corrective feedback, including but not limited to: reminders, warnings, timeout, parent notification and/ or dismissal. Playground directors will enforce any consequences that would result in dismissal from playground. Dismissal will be based on the severity of the actions. Please remember these rules and expectations are for your child's safety. We encourage you to review these expectations with your child to make this summer safe and fun for everyone involved.

DO's

Provide Child's Immunization Record
Bring a smile and a positive attitude
Come prepared to play outside every day!
Bring a snack every day. Try an insulated bag to keep things cool. We do not have access to a refrigerator.
Bring a labeled water bottle everyday
Wear sunblock to playground everyday
(we don't provide sunblock)
Wear sneakers everyday (nothing opened toed)
Label child's belongings

DON'T'S

Bring frowns or negative attitudes
Bring glass bottles or containers to playground
Wear flip flops or crocs. Too dangerous!
Bring any electronic devices/toys/stuffed animals to playground. The Town of Manlius will not be responsible if it is lost or stolen.
Bring a cell phone to playground. If your child needs to call you, we will have a phone available in the staff office.

Help us Help your child..

You can help your child/children get acclimated with the summer program by discussing the playground rules and regulations with them at home. We also encourage you to follow the calendar of events, sent home the first day of each session, and have your child prepared for the events of the day. It would be beneficial to help your child remember his or her counselor's name and where they should report each morning and where they will be picked up each day. Thank you in advance for your cooperation.

FREQUENTLY ASKED QUESTIONS

What are the dates and times of Playground?

*Session I- July 5th-July 22nd

*Session II- July 25th-August 12th

8:30am-12:00pm

Can I have my friend/neighbor drop off or pick up my child?

You may list them as an “authorized drop-off/pick-up person” on your registration or provide a written note stating who is dropping/picking your child up.

Who are the counselors?

Most are or have been students in your school district. Many of them are attending college or finishing up their high school careers. Most of our counselors are at least 17 years old. Each one went through an interview before being hired, and they all go through staff training every year.

When will I find out about Daily Activities and Field Trips?

A Calendar will be handed out on the first day of each session.

My child may need to reach me during the day, can he/she bring her cell phone to playground?

No. If your child needs to get a hold of you for any reason, there is a phone in the staff office they can use. The Town of Manlius is not responsible for lost or stolen electronic devices/cell phones/toys etc. Those items should not be brought to playground. If your child is seen using a cell phone during playground hours, we will ask them to bring it to the staff office until playground is over at which time it would be returned to them.

What if my child gets hurt or sick?

Each site has a Director and Assistant Director that are both certified in CPR and First Aid. They are trained to handle each case individually. If they deem it necessary to call you to pick them up or, in an emergency, an ambulance, they will not hesitate to do so. If they exhibit Covid-19 symptoms they will isolate until they are picked up.

What if my child takes medicine?

We are not qualified to administer medicine. All medicine must be taken at home before coming to playground. Epi-Pens are allowed to come with your child to playground, but are left in the staff office, labeled and in their own bag. Please make sure your child is familiar with their Epi-Pen and how it is used.

Where do I drop off and pick up my child? (subject to change)

Eagle Hill: Parents can drop off and pick up their child in the gym.

Pinegrove: Parents can drop off and pick up their child in the gym.

My child is allergic to peanuts, what should I do?

We have many kids in our playground program that have minor to severe allergies to nuts and nut products. I can assure you that our staff do everything possible to keep your child safe. We have a “Peanut Free” Zone for your child’s daily snack and great handwashing practices. We can discreetly place your child during snack time so he/ she is not next to others with nut products. We will assume that your child is aware of their allergy and will also take proper precautions. Working together is the key!
